

DR. RELA INSTITUTE & MEDICAL CENTRE

An Multi-speciality Quaternary Care Hospital

Presents

FELLOWSHIP IN MINIMAL ACCESS SURGERY

Dr. Rela Institute & Medical Centre (RIMC) in Chennai is a cutting-edge multi-specialty facility known for its advanced healthcare services. The Department of Minimal Access Surgery (MAS) excels in basic and advanced Laparoscopic procedures, including Appendix, Gallbladder, Hernia surgeries, as well as Upper Gastrointestinal, Colorectal, and Thoracoscopic surgeries. The department also specializes in Bariatric and Metabolic surgeries, utilizing state-of-the-art technology like the Da Vinci Xi system for robotic surgeries. RIMC's MAS department sets a high standard for minimally invasive procedures, combining expertise with innovative technology.
